Subject: Our river needs a cleanup

I can't believe the EPA is going to push for a river cleanup that's bad for business.

Instead of creating a cleanup plan that will take decades and require billions of dollars, I sure hope the EPA will consider the impact it could have on the jobs on the river. We all want a clean river but the cleanup should also be a responsible one.

As you consider all the options, please don't support a plan that costs a lot of money and will force small companies to spend a lot on the cleanup.

Sincerely,
